PROJECT E-WORKS

■ ATTENTION NEW MEDIA MAKERS

noise is looking to to showcase digital designs, Flash, Shockwave, games, screensavers, hypertext, blogs, fonts, interactive applications and pretty much anything that has been created for digital delivery.

Selected works will be displayed on the noise website and high-profile partners' websites as well as in print and on television. If you are interested please submit your screen art to the noise E-WORKS PROJECT.

HOW

You can upload your e-works directly to noise through the website. Go to www.noise.net.au and follow the instructions on uploading your submissions. To submit your work by mail, fill out a [PROJECT SUBMISSION FORM](#) and enclose a copy of your work on CD or Zip disk. Forms are available at the back of the noise guidebook or online at www.noise.net.au.

DEADLINE

26 May 2003
